Ellerslie Branch hosts Market Day

For the second consecutive year, the Ellerslie branch hosted a "Market Day" before the Easter long weekend, as a way of giving back and engaging with members of the Paramin community. Farmers of the community were invited to showcase and sell their fresh produce to customers at the branch. Staffers have found success with the now annual event as it offers members of the neighboring Paramin community an opportunity for added sales, while customers enjoy the convenience of purchasing fresh fruits and vegetables on site.
